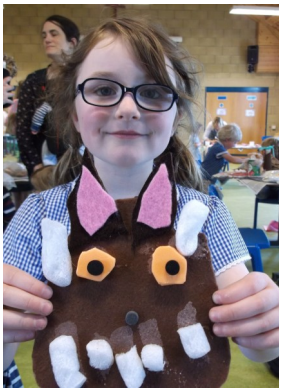
Fun with the Wiltshire Scrapstore

On 20th April we hosted our first pre-school taster event, aimed to give young children from the local area and their parents a chance to see our school in action, to meet with one another and to have lots of fun too.

We were joined by Carrie Ross from the Wiltshire Scrapstore who brought along bags and bags bursting with wonderful resources. The children listened to Carrie reading 'The Gruffalo' and then she encouraged everyone to make their own Gruffalo using whatever materials they liked, together with plenty of glue!

Adults all enjoyed the chance to chat and get to know one another and the children made new friends, wonderful Gruffaloes and ate lots of biscuits!



"Thank you so much for organising a really lovely afternoon for pre school children. I brought my little boy and he loved it. I was in two minds whether I would come as he is still a year off joining a primary school, but I am so glad I did come. It was lovely to see inside the school and meet the head, teachers and support staff."

"I had a thoroughly lovely afternoon! The parents and children were really up for it and got involved fully. The staff were soooooo helpful at set-up and clearing that it was a joy to come to your school. I really look forward to coming again!

Thanks for booking the Scrapstore."

Lots of fun was had by everyone and we're very much looking forward to our next event:
