Dear Parents

In response to the interest shown in arranging a school bus to transport children between Lavington School and the villages around the All Cannings and Woodborough areas, we have now explored an independent arrangement, either using a minibus or a coach.

The viability and cost of such a service will depend very much on demand and we now have indicative costs. A return journey looks somewhere between £1100 and £2,000 per seat per year (between £5 and £10 per day in round terms), depending on uptake. The cost would be passed on in full to those using the service, and the School would need to sign up for a whole year's contract. Therefore if we go ahead, we will require a year's commitment from parents, and no subsidy is available as the area is out of catchment.

If this service is still of interest, please could you either return the slip below to Lavington School, or email the same information to (enquiries@lavington.wilts.sch.uk). This does not commit you to anything at this stage, but will help us judge whether or not the service is worth pursuing now or in the future. Once I have an idea of initial interest, I will be able to give you a much firmer idea of the price before you will be asked to make a decision.

With kind regards

Angela Downing
