

**The Parent Support Adviser (PSA) Service has been introduced across Wiltshire. We support families/carers by providing information and advice across a range of issues, with the ultimate aim of improving your child's school experience. We are able to offer support from a variety of agencies and learning groups.**

**You do not need to access this service via the school, just contact your PSA direct.**

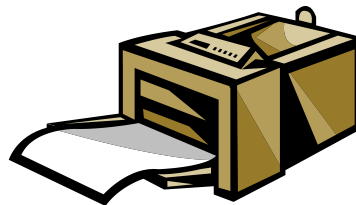

**Educational professionals have a duty to safeguard the welfare of children. We will report any suspected abuse or neglect to the appropriate authorities.**

**Further information can be obtained from your Parent Support Adviser.**

**Our role is to support you and your child by providing advice and information. We can help you with any concerns or worries you may have in relation to your child's education, behaviour, attendance and to provide support on how best to deal with it.**

**Research has shown that the single most important factor to improve a child's attainment and happiness at school, is parental involvement.**

**EVERY CHILD AND  
EVERY PARENT MATTERS**
