## PERSEVERANCE

Each term we have a focus on an important value in our school which will be high profile in class and in Collective Worship.

### Our school this week...

It can't have escaped anyone's attention that this week has been **Art Week** in school... and what an amazing one it has been! Pupils across the whole school have been working in six groups arranged across their year groups. This has allowed for great sharing of energy, enthusiasm, expertise and ideas and of course, plenty of fun!

This year work has focused on our six core Christian values in school: kindness, courage, respect, forgiveness, truthfulness and trust. With the help of Cheryl Houston from Marlborough Academy of Dance, the children learned dances to represent their themes and also spent time every morning working on brilliant art projects to further illustrate them. In addition, and under the skilled guidance, instruction and supervision of a brilliant team of volunteer parents, this week has seen the construction of six beautiful and highly original banners, each representing one of the values, which will soon be displayed in our school hall.

We would like to extend an enormous **THANK YOU** to everyone who has taken the time to lend a hand to make this a truly wonderful themed week, but particular and massive thanks to the team of **'Banner Ladies'** and their assistants and to **Mrs Barratt** for dreaming up and masterminding another **fabulous Art Week** 😊😊😊

*We thought you might all also like to read this lovely email received from the Schools' Triathlon Team this week too...*

*On behalf of Restless Development I want to say another huge thank you to all pupils from Woodborough Primary School who took part in the Flight Centre Schools Triathlon held at Marlborough College and in particular for their fantastic fundraising efforts.*

*Overall the Schools Triathlon event series raised over £270,000, and saw over 2500 children take part over 4 events.*

*With this incredible support, it has meant that [Restless Development](#) is able to support the ambition of more young people locally and around the world. Role models like Bawhani, who beat the odds to complete her education then took a leading role in the response to the Nepal earthquake. Read Bawhani's story [here](#).*

*Pupils from Woodborough Primary should be proud of their amazing achievement as together they raised £795. Both teams went above and beyond with their fundraising with team Wood borough Wanderers (Fred, Cameron, Jake and Jonathan) raising £515 and team-Woodborough Woodpeckers (Jake, William, Callum and Woody) raising £280.*

*We hope to see pupils from Woodborough Primary School taking part again next year and hope you all enjoy the summer holidays.*

Zara in the year 3 and 4 girls came 20<sup>th</sup> out of 70. Freddy and Magnus in year 3 and 4 boys came 18<sup>th</sup> and 20<sup>th</sup> out of 69, and I, from year 5 came 40<sup>th</sup> out of 81 in the under 11s. There was also a fun run for ks1 and Florence, Amelia and Ranulf in year1 did really well.
