

The Village Vergers

Bringing the buzz back to Woodborough!

We are committed to reviving the wild spaces in our local environment.

We would like to bring the village together to create a thriving neighbourhood alive with meadows, wildflowers, colour and fragrance - creating a haven for butterflies, bees, moths and wildlife... and the local community!

- ❖ Creation of community wildflower meadows / bee 'roads'
- ❖ Supporting and advising local folk on 'planting for pollinators'
 - ❖ Parish Rooms garden - sowing wild flowers
 - ❖ 'Bee Hotel' workshops (for kids and adults!)
 - ❖ Seed swaps and events

Please join us for coffee, cake and to hear about projects and ideas on:

Saturday 30th March

11.00am

The Parish Rooms, Woodborough

All welcome!

***** DIARY DATE: 11th APRIL - 10AM *****

EASTER HOLIDAY PLANTING IN PARISH ROOMS & BEE HOTEL MAKING
