there's COVID-19 support information [here](#),

'Support for Home-Learning' [here](#),

class newsletters [here](#)

and regularly updated class photo galleries [here](#).

Follow us on Twitter

Dear Parents and Carers

We hope you are all keeping safe and well and that you managed to enjoy the sunshine over Easter time.

We'd all like to thank you for your continued support during these challenging times and hope that our new ways of working have settled this week now that the 'summer term' has commenced.

News from 'in school'...

We'd like to thank Teams 1 and 3 who have both been in school supporting the learning for children of critical key workers, since the publication of our last newsletter.

Alongside the completion of the tasks that the classes have been given for remote learning, we'd like to thank the adults and children in school for the entertaining updates they've been sharing about other things they've been doing.

Do take a look at the [@w_woodborough](#) and class teachers' Twitter feeds to see what's been happening...

Some very important THANK YOU messages to send...

We'd like to say a **huge THANK YOU to Miss Beeson - and Aiden and Matthew too**, who have been very busy collecting wooden pallets on our behalf and constructing the most amazing 'insect hotel' that will take pride of place alongside the raised beds at the front of school.

Children in school have been busy painting it and it'll soon be ready for the luxury accommodation (twigs, hollow canes, etc..) to be added and the roof to be planted with insect friendly plants.

Watch out for photos of the finished '5* Woodborough School Insect Hotel' coming soon...

The final THANK YOU for this week is to Mrs Johanson, who managed to remotely mastermind a whole school focus on Earth Day last Wednesday. **HUGE THANK YOUs** to everyone who took part and sent in some **AMAZING** photos of the ingenious ways in which they had shared the day. [Do be sure to look at the website gallery...](#)

We'd also like to say a big **THANK YOU to the gardeners of Woodborough** who have donated packets of tomato, carrot, radish, courgette and other seeds and plants for the children to grow.

Alongside the flowering plants we received from Woodborough Garden Centre, our raised beds will soon be resplendent. **Special thanks too, to Mrs Atkins**, who has been busy liaising on behalf of school and leaving parcels and packets of seeds for us ☺

And, a lovely THANK YOU received...

Before the Easter weekend, children in school made cards and Easter gifts for the 'Good Companions' elderly residents' group in the village.

This week we received a lovely thank you card telling us that the cards and gifts had brought smiles and lots of pleasure to the people who had received them ☺

Special thanks too, to Mrs Poole and Mrs Walmesley who coordinated the project.

News from 'outside school'... please remember to stay connected and keep in touch. Class teachers really do appreciate a daily hello (via Seesaw or Tapes-try). **We are all just an email away and hope to see everyone very soon!**

Our Christian Value for this term is:

COMPASSION

Each term we have a focus on an important value in our school which is high profile in class and in Collective Worship.

In the current circumstances our current value couldn't be more important. We hope that [this link](#) to Mrs Needham's termly newsletter might provide some suggestions to help you think about **COMPASSION** at home. You'll also see some beautiful prayers written by pupils in Maple Class.

BIRD BOX NEWS...

Be sure to take a look inside our bird box where our resident blue tit has eleven eggs in her nest.

We think incubation of the eggs commenced at the end of last week... so we hope there will be the first signs of chicks around 6th May...

BIRTHDAY CONGRATULATIONS since our last newsletter and this week to...
