

Home Learning Elm Class Term 5

Dear Parents,

I hope you have managed to enjoy some of the lovely sunshine over the Easter weekend and spent some time outside in your gardens.

Firstly, I would like to say a huge thank you for your support, encouragement and enthusiasm during the first two weeks of home learning. It has been a steep learning curve for everyone and I understand how difficult it is trying to juggle family life whilst working from home.

Hopefully, everyone is now familiar with using Seesaw: accessing daily activities and uploading completed work. Remember if you have any difficulties at all, email me elm@woodborough.wilts.sch.uk or message me on Seesaw.

As we continue with home learning activities on Monday 20th April, I will endeavor to send tasks the

children can access independently and aim to be as creative as possible.

I will continue to send daily English (sometimes this may include shorter spelling and reading tasks) and maths activities. Sometimes, the English activities may span a few days, allowing children to plan, write, edit and present their work.

In addition to this, I will send other activities linked to different areas of the curriculum. Our topic this term is 'The Rotten Romans' and some of the tasks may link to this theme. It is also a good idea that children continue to keep active - as well as Joe Wicks, there are several other online videos on YouTube:

<https://www.youtube.com/user/CosmicKidsYoga>

https://www.youtube.com/channel/UC58aowNEXHHnfIR_5YTtP4g

It is a very unsettling and confusing time for everyone - children and adults alike.

For that reason, we have put together some resources on the school website which you may find useful to discuss with your children - information books, well-being articles and advice from Educational Psychologists including suggested home learning timetables. Follow the link to access these:

I hope that everyone is remaining positive and I look forward to seeing you soon.

Keep safe,
Mrs Wren
