

Summer Term 2020

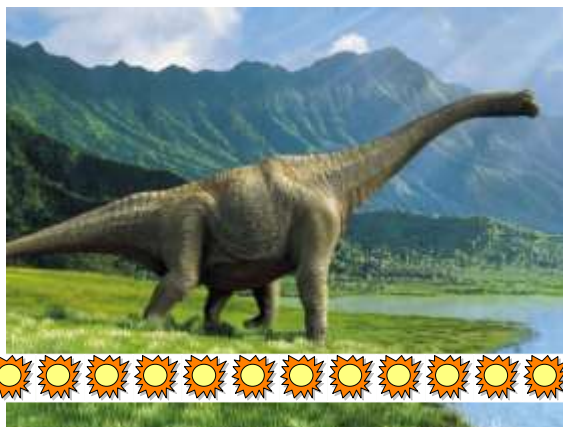

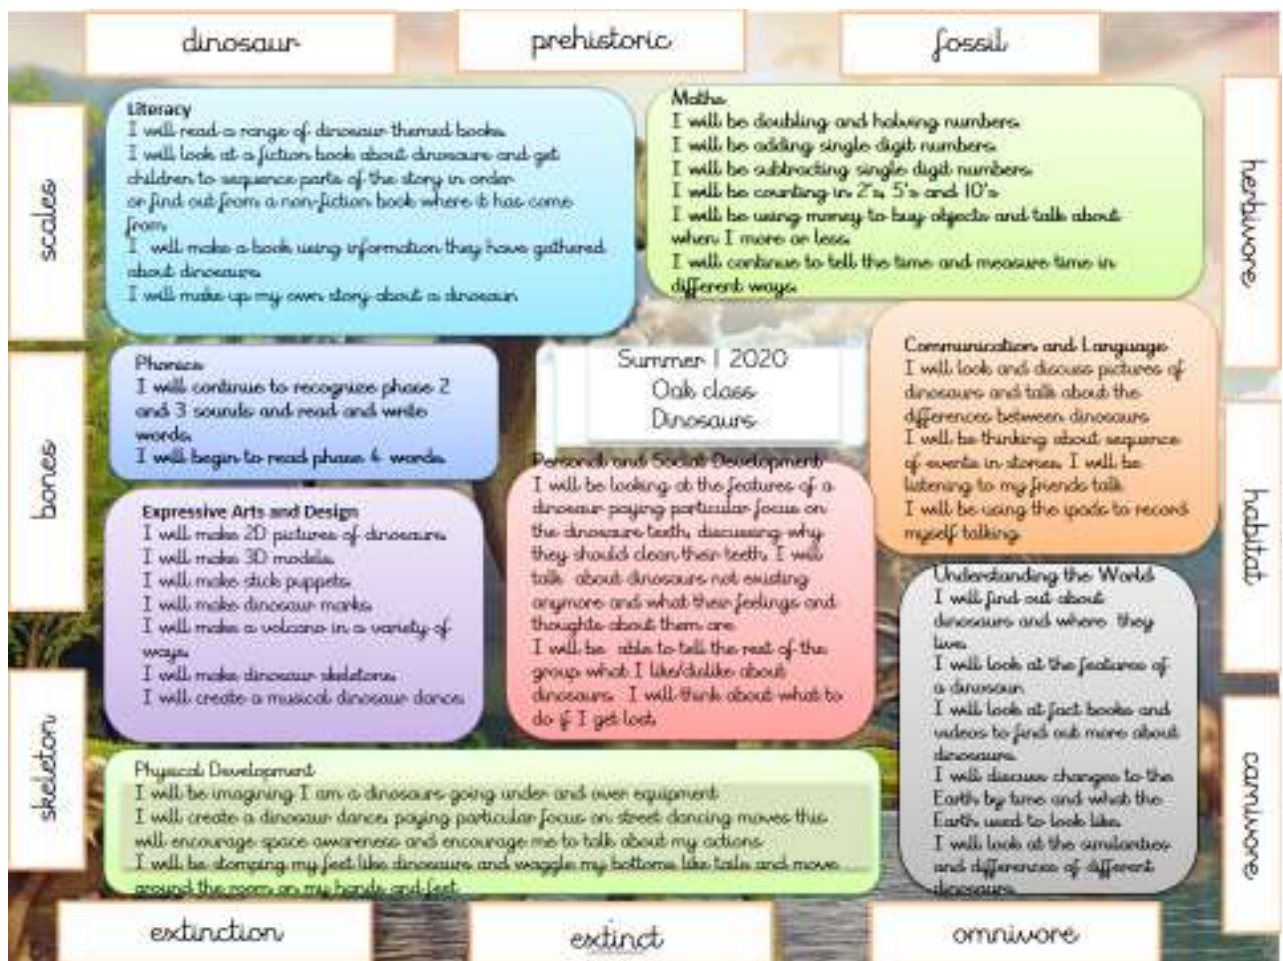

Welcome to the Summer term! I would like to begin by thanking you all for your support during this difficult time

I will continue to post activities for you to complete (should you wish) daily on Tapestry. I plan to try and include some things the children can work on independently, as I understand how difficult learning at home can be whilst you are working from home too! Please continue to share photographs on Tapestry, I really enjoy looking at the things the children have been doing.

Dinosaurs

Our topic this term is based around Dinosaurs. We will be reading lots of dinosaur themed stories, finding out about dinosaurs, naming them and creating lots of dinosaur themed artwork.

PE

Please keep working out at home by joining in with Joe Wicks daily workouts. You might also like to try some Cosmic Kids Yoga or if the weather is good, get out in the garden to play football, tennis, jump on the trampoline. Don't forget to join in with our weekly Friday dance too!

Finally

Please keep checking in and accessing the school website for further information regarding learning at home.

Best Wishes

Bethan Parry
