

Just One Book, is all we ask!

The school bookshelves have begun to look a little tired and so Mrs Wren has made a Christmas wish to add a few new books to each classroom - so we need your help! We are hoping that parents, grandparents or any other friends of the school will be willing to buy just one book (or more!) each to help to restock the reading material for all our children.

Mrs Wren has put together a list of brilliant books - about 12 per class - that she would like the children to be able to get their hands on... there are Smoos, poos and pirate stews for KS1, and everything from spies to highwaymen and dream snatchers for KS2. Lots to fire everyone's imagination and inspire them to keep reading, reading, reading!

There is a link to the list [here](#).

The list is being held only with Devizes Books, so that we can be sure to avoid multiple copies of the same book being purchased, and to show our support for a much-loved local business.

How to purchase books:

1 Telephone Devizes Books on 01380 725 944. They will take your name and payment over the telephone and the books will be delivered to school once all orders have been received.

OR

2 School Gateway. You can make a donation through the School Gateway app under Payments: Just One Book. Any extra monies not needed for books will be put towards other school wishlist items, for example new tablets/laptops for the children.)

We really hope you like this new initiative and that you will want to support us in getting these new books onto the shelves before the end of term.

Happy Christmas and many, many thanks for your support.
