Dear Families

Welcome to the first newsletter of February and we hope you are all staying safe and well.

It looks as though we've more chilly and wintry weather coming next week - maybe we'll be adding February to our ['Fun in the snow' gallery!](#)

FRIDAY 29TH JANUARY was SCREEN BREAK DAY... and THANK YOU for your support! 😊

It was clear that everyone appreciated the opportunity to step away from their screens for a while and we thoroughly enjoyed reading the messages and looking at the photographs of **making, reading, fitness and service** activities that you sent to us.

Do take a moment to visit the ['Screen Break Day'](#) gallery - it's bound to make you smile...

Next week, we'll be celebrating **Safer Internet Day 2021** and focussing on this year's theme **'An internet we trust: exploring reliability in the online world'**.

Miss Papworth-Smith, our **computing subject leader**, says to look out for adventures of **Digiduck** and **Interland**, quizzes and other resources to promote digital citizenship, that will be coming your way via remote learning.

Half-term is coming - perhaps you'd like to consider cooking, composing, cricket or creating a work of art...?

Dust off your recipe books and take part in our first **'Woodborough School Bake Off Challenge'**...

Whether you choose a sponge cake, biscuits, cupcakes or a decorated showstopper, be sure to send us your photographs for the attention of our guest judges 😊
