Dear Families

## BACK TO SCHOOL

As we welcome you to the first newsletter of March and look forward to the return to school of all pupils next week, we'd like to thank you all once again for your support, connectedness and commitment to supporting your children's home learning over recent weeks. We're sure you'll be as glad as we will to have a break from remote learning and to move forwards towards a semblance of 'normality'.

### Returning to school safely next week...

We really can't wait to welcome all of the children back into school from Monday 8th March, and lots of time and effort has been spent ensuring that their return can be as safe as possible.

You can see our updated [risk assessment](#) and [return to school strategy](#) on the school website and re-read communications we've sent out, via the links below:

Please support us in our efforts to keep our whole school community safe!

## Happy Retirement!

Next school year will see a big change both for us and also for Mrs Ashby, who has decided to take early retirement at the end of the summer term, after 22 years of teaching at Woodborough School! During that time, Mrs Ashby has taught approximately 600 children - across year groups from Reception Class to Year 6, the school has doubled in size and #TeamWoodborough have had many, many adventures! We're absolutely not going to let Mrs Ashby go quietly and will keep you posted with our plans to say a very big THANK YOU to her...!

At the end of this term, we'll be saying farewell and THANK YOU to Mrs Davies, who will be leaving her teaching assistant role to spend more time with her family.

**Book Week 2021 - brilliance from beginning to end...**

Virtual it may have been, but absolutely incredible it was!

Thank you to all of the children, families and school staff for engaging so wholeheartedly and making it such a wonderful success. An especially huge THANK YOU to Mrs Wren for masterminding 'Reading for Pleasure: Book

**Talk' - another memorable Woodborough School themed week.**
