

Ride and Stride on September 10th : who's in?

It's the annual sponsored bike ride / fund raiser for churches in Wiltshire - a good excuse to get together and get our small people out in the fresh air.

Rough plan: round up the kids, meet at Chirton church @1400 hrs; cycle round some other churches (see below), stop for tea (@ Honeystreet Cafe), light refreshments will be available at each church.

Half the money we raise comes back to St John's in Chirton and the rest goes to other falling down churches in Wiltshire.

My suggested route is below and nails 6 churches (Chirton, Patney, All Cannings, Stanton, Woodborough, and Marden). With the occasional stop for juice, I don't think this route (which is 13 miles) will be too far for little legs.

Sponsorship is simple: Just go to <https://www.justgiving.com/wiltshirerideandstride> and set up a page in a few minutes before pinging the assorted Grandparents and Godparents for sponsorship...

So....

I do hope you can make it because; a) it would be great to see everyone! 2) it'll be much more fun if you are with us, and c) its easier to corral the small people with a few extra grown ups.

Next steps: gather your friends > set up a JustGiving page > send out sponsorship emails > iron your lycra....

See you all on 10th! And please forward this to anyone else you can think of who's up for it!!
