

Science, Technology, Engineering and Maths sessions for schools

# Young Engineers

## KS2 After School Programme at Woodborough CofE Primary School

Date: Thursday 27th April – Thursday 25th May

Time: 3.30pm – 4.30pm      Cost: £35 per child

Young Engineers consists of five practical, hands-on science, engineering and technology sessions where children design and make a range of products including:

- Catapults    •Air rockets    •Balloon powered cars
- Pneumatic monsters    •Electronic pocket torches

All sessions are delivered by a qualified STEM teacher and all products made can be taken home.

To reserve a place for your child please register your details and pay online through our website:

**[www.stemkids.co.uk](http://www.stemkids.co.uk)**

Places are limited and will be allocated on a first come first served basis.

We may use photographs taken at our sessions on our promotional materials and website. Please inform us if you do not want us to use photos of your child as described.
