Well that concludes another term at school and we've certainly had another very busy week. We hope the sunny weather stays with us and that all of our families enjoy a restful half term holiday. See you all again on Monday 5th June ☺

Don't forget if you have something you'd like to share in our weekly newsletter you can send it to Mrs Hobbs in the school office via [admin@woodborough.wilts.sch.uk](mailto:admin@woodborough.wilts.sch.uk)

Our Christian Value for this term is:

### CREATIVITY

Each term we have a focus on an important value in our school which will be high profile in class and in Collective Worship.

#### Around our school this week...

#### ☺ CONGRATULATIONS VENUS HOUSE ☺

Very well done to all of the pupils in **Venus House** who collected the greatest number of **House Points** during Term 5.

On **Tuesday afternoon** they celebrated with an afternoon of cookery and created pizza, couscous sandcastles and melon boats. Hopefully their families enjoyed their House Point victory too and were able to share their culinary creations!

On **Monday** pupils in **Years 2—5** attended a presentation by Mr Summers from the **Music for Schools Foundation**. He returned on **Wednesday evening** to meet with parents and suggested that *families who are keen to pursue lessons and instruments for their children should register their interest by the end of the month.*

On **Wednesday** two brilliant teams of **Y5/6 boys** attended **Collingbourne Cricket Festival** and returned victorious. **Our A Team secured 2nd place overall and our B Team came 3rd!** *Congratulations and thank you to all of the players and a special thank you to the parents who supported and transported everyone!*

On **Thursday** we all made the very best of the glorious weather and climbed **Woodborough Hill** for a wonderful **Ascension Day** picnic. **Rev'd Larkey** joined us on the way, led a short assembly and taught everyone an action prayer. Then it was time for lunch and then an opportunity to play at the top of the hill. *Look out for pictures of our lovely outing in the website gallery.*

We'd like to say a huge **THANK YOU** to **Major Steve Napier** who presented the fascinating story of his **'Race to the North Pole'** with pupils from **Years 5 and 6** on Thursday evening. In the latest in the current series of **HOWW talks** Major Napier shared insights, slides and resources and pupils explored his expedition tent and tried on the multiple layers needed to protect them from frost bite in temperatures in excess of **-40 °C**. *Pictures from the evening will be on the website very soon.*

Our busy week concluded this morning with a **brilliant class assembly from Oak Class**. They shared their learning journey so far in such an accomplished and confident way that it was hard to believe they only started school in September! *Thank you to all of the families who attended, we're sure you were all very proud.*

#### Registration Time

The registers are taken in each class at 9.00 am. Please make sure that the names of any children arriving after that time are reported to the school office.

#### A brief safeguarding reminder

We would like to remind all parents that on occasion they may visit the school and need to ring the bell because the office is temporarily unattended.

All pupils have been instructed not to grant access to any visitors (even if the visitors are known to them), and will instead find or wait for a member of staff to verify the identity of the visitor and answer the door.

This is a necessary safeguarding procedure that must be followed at all times.
