### **Sporting provision within school**

Within school all KS1 and KS2 children access 2 hours of PE each week; usually an indoor gym or dance session and an outdoor games or athletics session.

Within Lower KS2, Year 3 spend 2 terms swimming for a session a week at a nearby pool.

Throughout the year outside agencies come into school and deliver units of PE activities such as tennis and [Bikeability \(Years 5 & 6\)](#).

The school regularly enters local sports competitions and festivals which include: cross country, Tag Rugby, hockey, cricket, netball, athletics, gymnastics, rounders, etc.

As part of our after school provision we offer a wide range of [after-school clubs](#) to all year groups throughout the whole of the school year. These are very much in demand and are well attended.

The school encourages children to participate in sport outside of school and have and encourage links with a range of local clubs and organisations (e.g. Lions Club of Devizes [‘Sports Coaching Weekend’](#) (attended by 43% eligible pupils from our school) and clubs promoted through [community activities](#) section of school website).

In March 2017 every pupil in school took part in a sponsored [‘Danceathon’](#) in support of the NSPCC and raised an amazing £2, 111.07.

On 10<sup>th</sup> July all pupils across the school took part in the School Council ‘Sponsored Walk’ and raised a brilliant £1 065.50.
