

## **Woodborough School Book Week 2020**

### **Monday 2nd March – Friday 6th March**

Dear Parents,

From Monday 2nd March - Friday 6<sup>th</sup> March we are running our annual Book Week event. Recent years have been a huge success because the whole school community have got behind the projects. This year, our focus will be on wordless picture books - exploring illustrations and illustrators.

In addition to this, we have a couple of whole school projects which require some creative support from parents and the wider community.

1. Each class is going to revamp their book corners - if you can spend some time during the week helping with this creative project please let me or your class teacher know.
2. The school library is going to be changed, books will be boxed up for topic work in each class so children can make better use of the resources we have. If you can support this - please let us know.

There are also a couple of other events during the week which require support. If you are able to help with the big book swap on Wednesday please let me know. Or if you would like to share a bedtime story with EYFS or KS1 on Thursday evening please get in contact.

Thank you for your continued support - we really do appreciate it.

Kind regards,

Mrs F. Wren

English Subject Leader
