

Welcome to Cherry Class

2019 - 2020

Homework For Spring

Daily tasks-

Reading -

reading and discussing books at home is so beneficial, don't forget to get an adult to sign your diary each week.

Spelling-

Practise your weekly spellings and prepare for the test.

Timetables-

Learn your times tables and develop fluency ready for multiplication awards at the end of each term.

Happy New Year !

We hope you have had a great Christmas break and thank you for all the kind gifts and well wishes.

You are probably already aware that our first topic is 'The Maya Civilisation'; a history based topic where we will be finding out all about the people of the past and how their discoveries have influenced our lives today. The children should have brought home a 'Knowledge organiser' about this topic which will help you find out more. It does also give the next date for our sharing day of the creative homework. It will be Wednesday 12th February. The project days so far have been really amazing. We have been so proud to see the children sharing their work with each other. Thank you for your support with these homeworks.

This topic is linked to our English work where we are writing a creation story and a newspaper article.

Next terms topic will also be history based; 'Footprints from the Past'. We will be tracing historical events and changes from the Stone age to the Iron age.

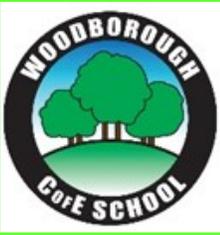

In Mathematics we will continue to look at time, addition and subtraction, multiplication and division, money, statistics, measuring weight and length, perimeter, fractions as well as angles. We will also continue to practice our 2, 3, 4, 5, 8, 10 times tables and focus on reasoning and problem solving tasks throughout the term.

Spelling will continue to be on a Monday, with the children being split into groups across the key stage. Please remember to practice the spellings regularly at home so they are ready for the test.

As you know, we are swimming all afternoon on a Tuesday so please make sure that the children have a named kit. Although quite a few children were anxious about this they did so well this week and are looking forward to next week.

The school now has a both Twitter and Facebook accounts. You can follow us @w_woodborough and like our Facebook page by searching for Woodborough CE Primary School.

Welcome to Cherry Class

2019 - 2020

Thank you to the parents who have already offered to come along and help on Tuesday afternoons, if anyone else is free any week please let us know and we can add you to our rota.

A date for your diary is Wednesday 1st April. On this day we will be running a Class workshop session where you are invited to come and take part in some activities with the children.

If you have any other free time in the week we would love to have some parents/grandparents to hear readers.

Parents' Evenings are on the 24th and 26th of March. This will be a great time to share children's progress.

However if you have any concerns and wish to discuss anything sooner, then please do not hesitate to get in touch.

Best wishes Mrs Barratt and Mrs Crichard
