

Dear Father God, our Good Shepherd who cares for us,

Please bless and protect all the members of our Woodborough School family during this difficult time while we are apart and missing everyone so much. Look after our Teachers. Bless our families and friends as we have to stay at home and please keep us safe and well. Comfort those who are feeling lonely, worried and afraid and be very close to those who are ill and in hospital. We pray for the NHS, for the safety of nurses, doctors and carers, for those working hard to find a cure for the virus. We thank you for good neighbours, for delivery workers and those serving in shops, keep them safe, dear Lord.

Show us how we can play our part, in being kind and generous, as we serve others and serve you too.

Amen.
