

Kizzy's Newsletter

Hi Everyone,

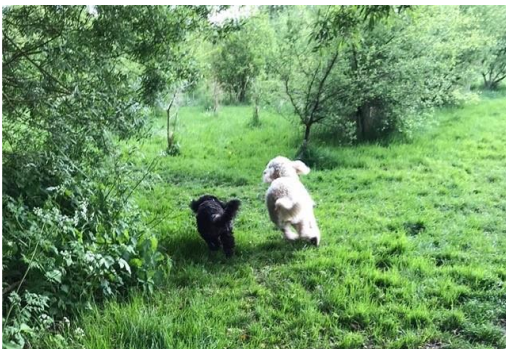

I can't believe that the puppies are now 10 days old! They have grown so much already and they are making squeaky sounds which can be really annoying, but I am teaching Tilly how to be patient. Mrs Draisey has told me and Tilly that as they grow the puppies will make more noise and in a few weeks will be running around, lots to look forward too.

I like looking at the puppies, they are different colours and different sizes, I thought you would like to see the photograph Mrs Draisey took this morning. Can you see the smallest and the biggest?

This puppy is sending you a high five.

This week Tilly and I have been playing new games, she likes doing running races but sometimes she gets fed up because I always win. I have told her how all of you keep trying when you are learning something new and how you keep practising. Can you tell Tilly which of the 6 Rs you use when you find things hard?

I am a bit bored today because it's raining, I was wondering what to do when Mrs Draisey said I have to have a trim and a brush. Then we are going to look at our book of tricks, I may be able to tell you that I have learnt something new next week.

Have a good week everyone, more puppy photos next week.

Woof Woof
