TerraCycle Crisp Packet Recycling

We'd like to say a big **THANK YOU** to Mrs Allison who sent **13kg of crisp packets**, that we'd collected in school, to TerraCycle to be recycled into new products and to earn points to be turned into money for school.

Dear Parents and Carers

As we reach the end of the second week of wider opening to Year R, 1 and 6 it has been a pleasure to welcome the children back to school, to see how they have grown, hear their stories of lockdown, listen to their voices in the classrooms and watch them play outside.

Next week we are excited to be welcoming the vast majority of Y2, 3, 4 and 5 too 😊 Although children across the school will be with us on a part-time basis only, we're looking forward to the opportunity to return to some kind of 'normality' and plenty of Woodborough Magic.

We are grateful to you all for your enduring support throughout recent times and we look forward to working together and sharing a new Woodborough School way of working over the next few weeks. Do keep your eyes and ears open... we're planning to share news of socially distanced 'Sports Day' events and 'Art Week' ideas very soon and Mrs Ashby has some very clever plans for Year 6 leavers...

Just to remind you...

The three TD Days that were planned to take place during the summer term (22nd May, 22nd & 23rd June) have been postponed to the end of term. **The school term for all pupils will conclude on Friday 17th July.**

The school will be closed to pupils on 20th, 21st and 22nd July when teaching staff will be planning for the next academic year.

Too many THANK YOUs to count...

We all know the children at our school are amazing and we are of course extremely grateful for the support of their families too. However, during this period of lockdown and unusual circumstances, we have been completely overwhelmed by everyone's wholehearted and sustained engagement with home learning and so much more besides...

Together you have drawn, sung, baked, painted rainbows, cycled, recited poems, written stories, made models, dressed up, grown sunflowers, bounced on trampolines, sent in photographs, danced, kept fit, shared Zoom meetings with friends, clapped for the NHS, read books, shared acts of kindness and lots, lots more.

And this weekend, you may have heard that there's something else happening...

Woodborough School Half Marathon - Sunday 21st June

Mr Bryant (Amelie and Alex's Dad) has been in lockdown training and has decided to run a half marathon to raise funds for our school. He is being joined by **Miss Nutland** (Reuben's Mum) and **Mr Needham** (Oliver and Toby's Dad).

Here's a picture of their route with some approximate times they're hoping to reach waypoints (click to enlarge).

[They'd be very pleased to see as many supporters as possible along their way.](#)

Our Christian Value for this term is:
PERSEVERANCE

In the current circumstances our current value couldn't be more important.

We'll be adding a link to Mrs Needham's termly newsletter with suggestions to help you think about **PERSEVERANCE** at home, and beautiful prayers from children in Sycamore Class are coming soon...
