### The St Timothy Foundation

**Friends and supporters of The St Timothy Foundation- We would like to thank you so much for your very generous gifts for our Advent Appeal, our support for the people of Nzara is greatly appreciated. As Samuel said in his latest email**

***"without the support given by the Vale of Pewsey the teachers could not be paid". We know that prior to our involvement education was barely credible as there were no qualified teachers and no girls would have been considered worthy".***

**We have changed all that and your contribution will ensure education for all!**

### Ten Ways to be Church in Lockdown

*"We are the body of Christ. In the one Spirit we were all baptised into one body. Let us pursue all that makes for peace and builds up our common life"*

1. **Pray every day.** Consider joining the daily deanery compline and weekly Wednesday morning prayer. Pray for each other.
2. **Read the Bible every day.** Look out for the Pewsey Deanery Prayers in Lent when we will be reading John's gospel together.
3. **Join our zoom worship on a Sunday.**
4. **Ring a friend to check how they're doing.** Don't forget members of your own congregation.
5. **Think how you might donate,** perhaps to the PCCA or St Timothy Foundation. Remember your PCC still has bills to pay. Think about joining the Parish Giving Scheme
6. **Look ahead to when this is all over...** Begin to plan those summer and other events we have all missed.
7. **Prayerfully try to discern how your church might be different.** What are your gifts and how might they be used for the Kingdom in the next few years, for the glory of God and the welcoming of all.
8. **Offer your skills** (sewing, art, woodwork, music etc) to people now or as a gift to a lonely neighbour
9. **While on a walk perhaps listen to music or a good talk.** Gather a group of friends over zoom to do a course such as the Prayer or Bible course, form a book club, or listen to a talk together. Your clergy can advise.
10. **See Christ in everyone we meet or talk to,** however frustrated or anxious we might be, with small things like being positive on line and on the phone, or thanking delivery drivers.

And in all we do, never forget God's creation and make the environment our priority.

## LIGHT THE DARKNESS

27 January 8pm

Light a candle and put it in your window

To remember those who were murdered for who they were

To stand against prejudice and hatred today

We are all lighting the darkness  
on #HolocaustMemorialDay
