

The [Holocaust Memorial Day Trust](#) are organising 'Light the Darkness' - a National Moment to unite the nation in the current difficult times – similar to Clap for Carers. To take part in 'Light the Darkness', households across the UK will be lighting a candle in their windows at 8pm on 27 January, to actively remember victims of Holocaust & recent genocides and to 'shine a light' against hatred and division today. We hope as many people as possible will light a candle and put it in their windows at 8pm on 27/01 and we are partnering with influential figures across the UK, including Government Ministers and MPs, religious leaders, A-list celebrities, online influencers, a Premier League football club, large corporates and technology companies to help this take off nation-wide.

Holocaust Memorial Day (HMD) is on 27 January. Every year on this day, the nation comes together to remember the victims and survivors of the Holocaust and the genocides that followed in Bosnia, Rwanda, Cambodia and Darfur. In January 2020 we marked the 75th anniversary of the liberation of Auschwitz-Birkenau, the [ceremony was broadcast by the BBC](#) and reached more than 1.2 million viewers. This year's ceremony will be streamed live at 7pm on January 27th and everyone can watch it. Please register at hmdt.geteventaccess.com/registration and you will then be sent the steaming link closer to January 27th.

LIGHT THE DARKNESS

27 January 8pm

Light a candle and put it in your window

To remember those who were murdered for who they were

To stand against prejudice and hatred today

We are all lighting the darkness
on [#HolocaustMemorialDay](#)
