## Breakfast Club

We are aware that an early start can be a challenge. At Braeside we offer nutritious breakfast options that provide children with energy for a morning of action packed adventure and challenge. The Breakfast Club is great opportunity for children to get to know the activity instructors, and join in with various exciting, fun and enjoyable supervised games, both indoor and outdoor.

## General info

Braeside Education Centre provides safe, inclusive, fun, challenging and adventurous experiences for young people. We operate with full public liability insurance cover using only trained and National Governing Body qualified instructors. All of our activities and our site have been risk assessed as part of our safety management systems. All of our staff are DBS checked at the enhanced level, safeguarding trained and are first aid qualified for the outdoor setting.

All children must be signed in at the start and at the end of the day. Children need to bring a packed lunch, a bottle of water, appropriate clothing for the weather conditions including trainers or walking shoes and sun protection.

Each child will need to have submitted a consent form at registration. All details will be held securely and in line with our Data Protection Policy - please see our website for further details.

Please contact us with any questions or concerns.

## Extended Club

An Extended Club allows children to stay at Braeside until 5.30pm each day. This is being offered to benefit both parents/carers and children as it will allow travel time from work without rushing around. For the children there will be opportunity to play games, further develop their team and physical skills with group games and using the bouldering room. A light tea will be provided including a sandwich, a snack and a drink to provide enough energy until the very end.
