NEWSLETTER

Welcome to the first newsletter of May. We hope that all of our families enjoyed the long weekend, despite the weather!

We've enjoyed another busy week in school and are half way through the term already!

Don't forget, if you have something you'd like to add to our weekly newsletter, please email the details to Miss Bolwell in the school office: admin@woodborough.wilts.sch.uk.

The Woodborough roadmap...

As the government's roadmap progresses and things begin to open up, we've been thinking about our ways of working in school too. Working in single class bubbles has been necessary, but not without limitations, and this term we have been closely monitoring the progress of other schools who have successfully expanded their bubble systems.

We are very much hoping that our whole school community will be able to enjoy a steady return towards 'normality' by the end of the summer term. There are plans being made for Years 5 and 6 to climb Woodborough Hill for Ascension Day and their residential visit has received the go-ahead. Our heads are spinning with other school-wide ideas and the PTA have fingers crossed for summer events various.

To that end, we're hoping to share plans in the early part of next week, about how we intend to implement our Woodborough School 'roadmap' and expand our school bubbles to enjoy a little more working together.

Our summer of sports continues...

We'd like to say a big THANK YOU to Aled Evans from Wiltshire Cricket who spent Thursday with us in school.

Thankfully rain didn't stop play and all classes were treated to practical sessions throughout the day covering all kinds of cricket skills.

CONGRATULATIONS, well done and thank you to: Charlotte & Maddison (YR), Hugo & Otilie (Y1), Charlie & Otilie (Y2), Leighvi & Olivia (Y3), Brandon & Michael (Y4), Bertie & Kacie (Y5) and Edward & Mollie (Y6) who were this week's stars of Always Club.

We're pleased to share the news that Mrs Stephanie Baggaley will join us from September in the role of SENCO. Mrs Baggaley currently works part-time in the same role at Bishops Cannings Primary School, and has been appointed by EQUA MAT to work across a number of the primary schools next year.
