Goodness, we're half way through September, two full weeks of term are done - and what busy ones they've been! We're delighted to report that school feels more like school this year...

Oak Class have stayed for lunch this week (a big THANK YOU to their Willow Class buddies for looking after them so well) and will join us on a full-time basis next week.

On Wednesday evening it was wonderful to invite parents back into the school building —albeit for now, just a small, invited gathering of Y4/5 parents (sanitised, socially distanced and in our very well ventilated hall) who joined us in readiness for next week's Y4/5 residential trip to PGL Liddington.

Elsewhere in school classes have been introduced to the brilliant new Sunshine Gym equipment, Golden Time has resumed with a host of different activity choices and Always Club (focussing this year on our core values of courage, truth, forgiveness, respect, trust and kindness) welcomed its first tea party gathering on Friday afternoon.

There's definitely been a sprinkling of Woodborough Magic!

Don't forget, if you have something to add to our weekly newsletter, please email the details to Miss Bolwell in the school office: admin@woodborough.wilts.sch.uk

Introducing our new Special Educational Needs Coordinator (SENCO)...

Dear Parents,

I am the newly appointed EQUA MAT SENCO and I will be working at Woodborough Primary School every Tuesday. I have now spent two days at the school and am beginning to become familiar with the children and their individual needs. Everyone has been so friendly and welcoming, especially the children, and I feel very lucky to have the opportunity to be working in such a lovely school.

I am also very much looking forward to meeting and working with you and hope that we can work together in supporting your child the very best we can. Please contact me at sbaggaley@bishopsannings.wilts.sch.uk if you have any questions or would like to arrange a meeting.

Kind regards

Stephanie Baggaley

A polite parking reminder...

We've maintained our staggered start and end to the school day because it has eased parking congestion at the Social Club and helped to maintain good relationships with neighbours in the vicinity of school. We appreciate that the school run coincides with many of our parents' journeys to work and that time is precious, but please endeavour to keep to the drop off and pick-up times that are designated for your child(ren).

Classes	Arrival	Departure	Please note that if you have children in both key stages, they should arrive at the earliest drop-off and be collected at the latest pick-up times.
