NEWSLETTER

Welcome to February, a new newsletter and an apology that it is a little delayed...

Don't forget, if you have something you'd like to add to our weekly newsletter, please email the details to Miss Bolwell in the school office: admin@woodborough.wilts.sch.uk.

Thank you very, very, very mulch!

Visitors to the school site last week couldn't fail to notice that some extensive spring cleaning had taken place over the weekend ☺ The play-ground had been pressure washed, drainage unblocked and eight tonnes of mulch had been spread—in an effort to combat mud with wood chippings.

We'd like to say a huge and hearty THANK

YOU to Miss Beeson (queen of the pressure washer and patient remover of compacted mud from the drainage grids), and to Mr Bryant, Mr Cornish, Mr Fila, Mr MacKinnon and Mr Needham (with brief assistance from their respective children) who spread the bags of mulch over the muddiest areas of the school site. Thank you also to those parents loaned hose pipes and wheelbarrows to assist the clean-up.

What a wonderful difference we have noticed in school since their clean-up - cleaner shoes, knees, floors, corridors and classrooms ☺ We hope that in turn you've received cleaner children and had less washing to do after school too!

A message from our PTA...

The evening of **Wednesday 26th January** heralded the welcome return of real-life visitors to our school—yippee!

The PTA AGM also brought food tasting from this term's menu, classroom tours, time to catch up with old friends and be introduced to new, together with an opportunity to reflect upon an extraordinary year for our PTA.

Thank yous were shared with outgoing committee members and a new team was elected. Look out for the soon to be published PTA newsletter with further details and names.

Thank you to everyone who joined in—whether in school or remotely from home ☺

Lots and lots of lovely new books and lots and lots of thank yous...

Earlier in the year Mrs Wren, our English subject leader, asked children across Key Stage 2 to complete a questionnaire about their reading habits. The results showed that whilst pupils really enjoy reading the super selection of fiction books we have in school, they felt less enthusiastic about the non-fiction titles that were on offer.

In response to the pupil voice, our School Council stepped in and volunteered to allocate £1000 from their funds to remedy the situation. [The White Horse Bookshop in Marlborough](#) agreed to source the exciting titles on their shopping list and also shared a very generous discount - enabling the School Council to purchase more than £1,250 worth of books for the £1,000 they had assigned.

The wonderful new non-fiction books have been distributed across the classes, our school councillors have written to thank the White Horse Bookshop for their generosity and now we'd just like to extend a big THANK YOU to our School Council too. *Happy reading KS2!*

This term we are focussing across our school on the value of **JUSTICE**.

**Kung Hei Fat Choi from Oak,
Sycamore and Maple
Classes...**

Monday brought a celebration of Chinese New Year throughout Early Years and Key Stage 1. In a very exciting Chinese themed day the children enjoyed learning all about the customs and traditions associated with this time of the year.

Collectively, the children in each class created enormous dragon heads and individually they made tigers, dragons, lanterns and tried their hands at Chinese writing.

Lunch saw a feast of noodles and fortune cookies that were enjoyed across the whole school.

Finally, the afternoon brought an opportunity for everyone to come together and share their learning with the other classes, before the tiger, dragons and their creators left for home.

We'd like to thank all of the parents from Oak, Sycamore and Maple Classes who joined us during the day to help. It was just like old times and we hope you enjoyed being in school

**Congratulations and 'eyes
