17<sup>th</sup> February 2022

Dear Parents and Carers

### Closure of Woodborough CE Primary School on Friday 18<sup>th</sup> February 2022

The Met Office is forecasting very high winds, with gusts of up to 80mph possible across Wiltshire between 0300 and 2100 tomorrow, Friday 18<sup>th</sup> February.

In anticipation of this, Wiltshire Council have advised that schools should take action to evacuate all mobile classrooms and similar non-permanent buildings and move the occupants to permanent buildings.

**As we currently have five classes of pupils occupying non-permanent buildings and we do not have the capacity to relocate them all within the permanent school building, coupled with the fact that we have an extensive scaffolding structure on the school site, we have taken the decision to close the school tomorrow, Friday 18<sup>th</sup> February.**

In-school learning will revert to home-learning for tomorrow and children will be briefed about this by their class teachers before the end of school today.

We apologise if our closure causes inconvenience to any of our families but trust you will understand why our decision has been made and know that it hasn't been taken lightly. This letter has been forwarded to you via our school communications system Weduc and we'd like to request that you acknowledge receipt of our communication by return, please.

We wish you all a very happy and much looked-forward to half term holiday and hope you all stay safely out of the grips of Storm Eunice tomorrow.

Yours sincerely,

Sarah Brewis
