School Council Sponsored Obstacle Course

Dear Parents/Guardians,

On the week beginning the 16th May, the School Council will hold a 'Sponsored obstacle course' to raise money for School Council funds. This year, the School Council donated £525 towards playground equipment for pupils and they have funded the new book vending machine- which is very popular throughout the school. The money raised at this event will be put to good use helping the Children at Woodborough School.

The pupils will be sponsored to do as many repetitions of different exercises as they can. This will be timed. They will have several attempts to see if they can beat their own total. They will need to wear their P.E kit so will need it in school on that week.

Your child will be given a sponsorship form. Please ask your family and friends to give generously and bring in the form w/b 16th May. After the event, all sponsor money should be handed in, in a named envelope, to their class teacher by Wednesday 25th May.

Thank you for your continued support.

Yours sincerely,

The School Council
