

Sycamore Class

@MrsJNeedham | 01672 851305 | sycamore@woodborough.wilts.sch.uk

Welcome back to the summer term, I hope you all had a relaxing and well earned Easter! The children have returned with a renewed energy and a little taller! This letter recaps key information about the Summer Term and information on how to keep up to date with your children's work.

This term our **Science** topic will be looking at Earth Science and how the movement of the Earth effects the seasonal changes before moving onto plants, our **History** focus is on communication and how it has changed over time and our **Geography** unit looks at seasonal changes and the effect on the environment around us.

English and **Mathematics** lessons continue to take place daily, where they will be working through the Year 1 Curriculum objectives. Alongside their daily math's lesson we will also have three sessions a week focusing on key number facts. **Phonics** and reading sessions will also take place daily, to prepare the children for their phonics check later in the term.

In **RE** we will be looking at Islam and key beliefs that Muslims have and follow before returning to Christianity and the importance of friendship.

I am really pleased with the focus and energy the children are demonstrating in our final term of Year 1. Reports will go out towards the end of the year, however, if you have any worries or concerns before then please don't hesitate to contact me via the office.

Many thanks for your continued support.

Kind regards,

Mrs Needham

PE Lessons

PE will take place on a Tuesday and a Wednesday. Tuesday's session will be outside, so please ensure they have both shorts and joggers/leggings, spare socks, a jumper and trainers in their PE bags. These will be sent home regularly to be washed. Swimming will take place on Wednesday afternoons, thank you for all the volunteers who have offered to assist with this.

Reading

It is expected that children will read at least 3x a week to an adult and have their reading records signed. Reading Records need to be in school each day so that any messages can be noted in them or any school reading recorded. Those reading 5x or more will go into the draw for 'Reader of the Week'.

During the week please revisit the book and look at the comprehension questions in the back of the cover.

Don't forget...

Friday 26th May - TD Day

20th and 21st June- TD Days
