

Growing to Serve

'Rooted and grounded in the love of God and in the love of learning'

based on Ephesians 3.14-21

Art

Intent

Why do we teach this? Why do we teach this the way we do?

The overarching intent for Art is to:

- ***Have a range of experiences where they use a variety of media, skills and processes to produce artwork.***
- ***Critically review and respectfully respond to the works of various artists, designers and craft makers.***
- ***Have the freedom to explore and appreciate the creative process.***
