

## **Growing to Serve**

*'Rooted and grounded in the love of God and in the love of learning'*

*based on Ephesians 3.14-21*

### **D.T.**

#### **Intent**

***Why do we teach this? Why do we teach this the way we do?***

***The overarching intent for D.T. is to:***

- ***Children understand the process and skills necessary for designing, making and evaluating products for a specific purpose including food technology.***
- ***Building resilience when adapting and improving designs and prototypes by learning through the experiences of professionals.***
- ***Giving children the tools to create designs on a digital platform to enable them to succeed in a technological world.***
