

Woodborough Primary School - English Writing Progression Document EYFS

The EYFS framework is structured very differently to the national curriculum as it is organised across seven areas of learning rather than subject areas.

This document demonstrates which statements from the 2020 Development Matters are prerequisite skills for Writing within the National Curriculum. The table below outlines the most relevant statements taken from the Early Learning Goals in the EYFS statutory framework and the Development Matters age ranges for Three and Four-Year-Olds and Reception to match the programme of study for writing.

The most relevant statements for writing are taken from the following areas of learning:

- Communication and Language
- Physical Development
- Literacy
- Expressive Arts and Design
