

LIME CLASS NEWSLETTER- SPRING

Dear Parents,

Welcome to 2024! Hopefully you all had a Christmassy holiday. I am really looking forward to this year (in a January way!)

The following information will explain the plans for Lime Class over the next term.

Curriculum

We are starting off 2024 with a History topic on 'The Tudors,' whilst our science will be changing materials.

In term 4, we will begin to look at Climate change and pollution as our topic in Geography.

Our PE slots will be Monday and Tuesday for term 3 and then back to Monday and Wednesday in term 4. Please ensure that children have appropriate PE kit on these days. They will still need jumpers, tracksuit bottoms and suitable footwear for the field.

In RE we will be studying a Hinduism unit, followed by Christian a unit about 'Salvation' in term 4.

Homework

Children are expected to read at home at least 5 times a week. It is still important even in Year 5 that children read alongside adults so they can improve their fluency and confidence. It will also allow the children to discuss the content of their books in more detail.

We shall return to homework being given out on a Friday, and handed in the following Thursday. If anyone needs support with homework they are encouraged to see me during lunchtime for support.

In addition, the children could be learning times tables and related division facts continually as they

work towards improving their results in our termly Multiplication Awards. Times Table Rock Stars is a great resource to aid with this - children have been reminded of usernames and passwords.

Please feel free to contact me during the term at any point if you need to discuss anything and hopefully I get to meet you in person soon,
Yours sincerely,
Mr. Dyson
