Dear Parents,

I hope you all had a fantastic Christmas break and managed to spend some time relaxing with family and friends. This newsletter will outline the learning for Oak Class over the Spring Term.

This term in Oak class we will be exploring the topic 'Our Wonderful World'. We will be comparing hot and cold places such as Antarctica and Africa and thinking about how they compare to Woodborough. We will also be learning about famous explorers such as Robert Falcon Scott. In art we will be exploring materials and marks to create our own landscape pictures and our PSHE focus will be living in the wider world.

In term 4 our topic will be 'Blast Off' where we leave life on earth to explore space and beyond. We will be learning all about our solar system and exploring creating our own lunar worlds. In PSHE we will be learning about keeping ourselves safe.

Reading at home is encouraged to take place 5 times a week to support our group reading. Please sign their reading records when they read to you at home so they don't miss the opportunity to be in the draw for Reader of the Week.

We will continue with our daily Phonics sessions.

Please feel free to contact me via oak@woodborough.wilts.sch.uk if you have any queries or concerns.

Many thanks.

Yours sincerely,

Mrs Parry

Homework

We will continue to send weekly phonics activities to consolidate the learning that has taken place in class. We will also be receiving our Numbot log in's to access at home.

PE

PE sessions will take place on a Friday. Please ensure children have named cold weather kit.

Diary Dates

School meeting -
Friday 2nd February
2.45pm

Tapestry

Don't forget to share all the things you do at home via our Tapestry app.
