Woodborough CE
Primary School

Dear Parents,

I hope you all had a restful Easter break and managed to spend some time relaxing with family and friends. This newsletter will outline the learning for Oak Class over the Summer Term.

This term in Oak class we will be exploring the topic 'Are we there yet?'. We will be learning all about different types of transport and discussing journeys we have been on. We will be comparing transport in the past and present and begin exploring how different types of transport move.

In term 6 our topic will be 'Ready Steady Grow' where we will learn all about the natural world around us, including plants, trees and animals. We will learn about life-cycles including the human life-cycle. We also begin practising for our annual Sports Day by beginning each day with our 'Golden Mile'.

Reading at home is encouraged to take place 5 times a week to support our group reading. Please sign reading records when you read together at home so the children don't miss the opportunity to be in the draw for Reader of the Week.

We will continue with our daily Phonics sessions.

Please feel free to contact me via oak@woodborough.wilts.sch.uk if you have any queries or concerns.

Many thanks.

Yours sincerely,

Mrs Parry

Homework

We will continue to send weekly phonics activities to consolidate the learning that has taken place in class. We will also be receiving our Numbot log in's to access at home.

PE

PE sessions will take place on a Tuesday Friday **Please ensure children have named cold weather kit and appropriate footwear.**

Tapestry

Don't forget to share all the things you do at home via our Tapestry app.
